

# World Microbe Forum 参加登録に関するプチ情報

細菌学会理事 金城雄樹

<https://www.worldmicrobeforum.org/index.php/register/registration>

## World Microbe Forum Registration

Get matched to the latest science in your field and colleagues you've never met. From new infectious pathogens, like SARS-CoV-2 to the role microbes play in climate change, World Microbe Forum will connect you to cutting-edge science and peers who share your scientific interests. Join us for this vibrant event and take advantage of the low early-bird rates.

## Frequently asked questions

### Why do I need to sign in or create an ASM user account?

The ASM user account will serve as your main account log in to register, submit an abstract, and access the online meeting platform. This account does not serve as an application for ASM membership, nor does it sign you up for membership. Membership information for ASM, FEMS and partner associations is available [here](#). [Create your ASM user account for free.](#)
